Our Big Goal

60% of working-age adults will have a 2-year or 4-year college degree or a high-quality credential by 2025

Our approach

Foster equity by targeting sub-populations of children
Gather data to drive good decisions
Promote best practices
Create and leverage partnerships

Our strategies

- Supporting children from birth to age 5 so they are ready for Kindergarten
- Giving every child the opportunity to attend at least 1 year of high quality Preschool
- Promoting all students’ attendance and reducing chronic absenteeism
- Expanding quality afterschool and summer learning opportunities
- Ensuring every child is reading well in 3rd grade
- Expanding high-school internship opportunities and career pathways
- Ensuring every high-school graduate has a plan to attend college or earn a credential after graduating from high school
- Driving up FAFSA completion
- Increasing the number of “stopped-out” students who return to college to complete a degree or credential
